

SIL-SPREAD™

ORGANOSILICONE SURFACTANT

GENERAL USE INFORMATION – READ ENTIRE LABEL BEFORE USING THIS PRODUCT

GENERAL INFORMATION

SIL-SPREAD® is a high quality non-ionic organosilicone surfactant. It is a superior wetting agent and penetrator designed for use with most pesticides. **SIL-SPREAD** will enhance the spreading and penetration of pesticide sprays when properly applied, especially on leafy vegetables and other crops with heavy foliage. It is recommended that the applicator first conduct a trial under similar crop and environmental conditions to determine the optimum rate.

DIRECTIONS FOR USE

CONSULT YOUR LOCAL

FERTIZONA REPRESENTATIVE OR OTHER AGRICULTURAL SPECIALIST FOR SPECIFIC CROP RECOMMENDATIONS.

To prevent foam, the addition of FOAMSTOP, an anti-foaming agent, is suggested before **SIL-SPREAD** is added to the spray water. Do not add any other surfactants to **SIL-SPREAD**. Spray thoroughly, avoiding excess runoff of the spray solution.

RATES: Use 2-12 oz. per acre in spray solution. Use the lower rates in applications where low water rates are used.

NOTE: The above rates are considered to be adequate for most uses. Some herbicides may require higher rates for optimum uses. Follow the herbicide label directions when this occurs. However, do not add this product at a rate that exceeds 5% of the finished spray volume.

NET CONTENTS:

1 gal. (3.785 L), 8.16 lbs. (3.701 kg)

PRINCIPAL FUNCTIONING AGENTS:

A blend of polydimethylsiloxane non-ionic surfactants.....99.0%

Inert Ingredients 1.0%

SDS available upon request.

CA Reg No. 1051080-50027

This product is exempt from EPA requirements under Title 40 CFR 180.1001 subparagraph C and D.

DANGER

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

Harmful if swallowed. Causes serious eye damage. Toxic to aquatic life.

FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.

IF SWALLOWED: Rinse mouth. Give large volumes of water. Do not induce vomiting. Immediately call a poison center or doctor.

IF EXPOSED OR CONCERNED: Get medical advice/attention if you feel unwell.

PREVENTION: Wash hands, forearms, and other exposed areas thoroughly after handling. Do not eat, drink or smoke when using the product. Wear protective gloves, protective clothing, and eye protections.

STORAGE AND DISPOSAL: Keep product in original container. Do not store at temperatures below 32° F. Dispose of waste or empty container in accordance with applicable Federal, State, and local laws and regulations.
